Trial

We always recommend that clients book a trial with us before the wedding day. It is not required but is highly suggested as it helps us create a look that is custom fit for you. Clients typically prefer a trial because they get the chance to meet and talk to the stylist and/or artist about their preferences and have the opportunity to discuss and try different looks.

Makeup Trial: \$90 (60-90 mins)

Hair Trial: \$90 (60-90 mins)

Note: This is a great time to bring pictures of what you like as well as any hair accessories, hairpieces or extensions that you would like to incorporate in your style.

Cancellation Policy:

Due to our high demand we maintain a strict cancellation policy for bridal appointments.

In the event of a cancellation we require at least 48 hours notice.

If cancelled within the 48 hour period we will charge the card on file for 50% of the original services booked.
